

Testimonials

"Knowing the children were happy and supervised allowed the bridal party and all the parents time to relax and enjoy themselves and made the day all the more special. My thanks to all of you for providing such a superb service. I would thoroughly recommend anybody to use your crèche service, whether it be for a wedding or any other event."

'The day was fantastic, helped in the knowledge of the professional input into the younger members of the party. They certainly enjoyed the time and so did their parents. Thank you all for such a wonderful service and I look forward to contacting you again.'

The Wedding Crèche Providers

Run By Swindon Child Carers Ltd

Mobile Crèche Wedding Service

Are you keen to include the children of your friends and family in your wedding day, but concerned about how they'll cope with the more formal parts?

Do you want the adults to be able to relax and enjoy the meal and speeches?

At the same time do you want the children to be entertained, safe and happy?

Why not offer an on-site crèche?

Our team of experienced child carers can provide a crèche at the venue of your choice (room subject to Health and Safety checking) - leaving parents free to relax and enjoy the event, and children happily entertained in a safe and stimulating setting.

We understand that you want your wedding day to be unique in every way - well that can apply to the crèche too! We will liaise with you about any specific requirements you may have, for example a child with special needs or a specific activity or theme.

What costs are involved?

The basic cost of a crèche is £30.00 per carer, per hour, plus VAT - (subject to change).

We ask that you book a minimum of 1 ½ hours; this includes 15 mins set up and 15 mins clear up time.

A £30 deposit is required with booking to secure the date.

The only additional costs would be:-

1. if you request any specific activities that needed us to buy and bring extra materials
2. depending on the location of your venue, we may need to add on a travel allowance. Please talk to us for more information.

How many carers would I need to book?

Due to health and safety requirements you need to book a minimum of two carers, but can book as many as you like depending on baby/child-adult ratios. This is something we would help you to calculate.

What ages do you cater for?

We can care for children from 6 weeks to 8 years old, older children by arrangement, please ask.

What about the staff?

All our carers are Criminal Records Bureau (CRB) checked and First Aid trained. They have a wide range of child care training, qualifications and experience. Most have been in our employment for over 10 years.

Anything else I need to know?

All parents are required to complete a registration form prior to us caring for their child to detail such things as emergency phone numbers and any special dietary

requirements. However, to make it easier for you (as we know you have enough to do already!) if you supply us with names and addresses we will send these forms direct to the parents - along with our parent information pack - for them to bring on the day.

I'd like to book a crèche! What do I do?

Please contact us using the details below and we will send you a booking form to be filled in and returned asap, we can then proceed with arranging your crèche.
